

# PEDORS® SHOES AND THE VA

## Product Information & Order Process E-Book for Practitioners

### General Information

#### Who are, what are Pedors shoes?

Pedors shoes, based in Marietta GA, is a footwear brand designed to accommodate patients with problems with their feet. Many of our shoe designs feature a stretch element, using our proprietary material Pedoprene™.

#### What foot problems do Pedors address?

The most common problems include; Swollen Feet, Edema, Lymphedema, Diabetes, Arthritis, Bunions, Hammertoes, PAD and others.

#### How long has Pedors been supplying the VA?

Pedors has been supplying the shoes to the VA, at discounted rates, for over two decades.

#### Pedors Health & Human Services Program (HHS GOV20)

- Pedors offers 20% off retail pricing for all VA orders
- Pedors offers free shipping on all VA orders
- Pedors offers free return & exchange shipping on all VA orders
- Pedors offers a free “Ship-To-The-Veteran” service
